

Liam's Story

Liam is 22 years old and lives at home with his family. He has been visiting THC since 2016. During this time, Kristen and his other social educators have supported him in completing a TAFE course, securing employment, and building social and living skills, all while having loads of fun.

Liam, what do you really love doing?

I like to hang out with friends, go to movies, beach, play play station and also watch the rugby too, I go for Manly Sea Eagles.

What are your dreams for the future?

To have a Secure job, move out of home and get my full driver's license and a car.

What goals have you worked on since being at the Housing Connection?

I completed my certificate 3 in early childhood education and are. The Housing Connection helped me look for work and helped me to keep up with my fitness.

So how are you going with your goals?

Oh good! Really good. I've been doing really well. My course was successful with some help from THC and TAFE as well to helping me to achieve my goal to work on skills that I've and help me with day to day routines and also building and secure relationships with staff, children and parents.

What's it like working with Kristen?

It's been good. It's really helped me with social skills and picking up important lessons in life and also been really helpful with anything I'm struggling with, she'll explain it in a way I understand.

What sort of things do you like doing together?

Play games and having lunch and having a good time!

Kristen, what's it like working with Liam?

It's fantastic. From the get go, Liam has also been motivated and is probably one of the most resilient and persistent people I know. It has been the best thing to see his hard work and dedication pay off now that he is in a job that he loves. He also has a great sense of humour and knows how to have fun! It's a delight working with him.

Kristen, how do you feel about your job?

I love it. I wouldn't do anything else. I get come to work every day and get to see people I genuinely care about. The Housing Connection will always be a part of what has made me who I am.
